WORK EXPERIENCE

- 04/2019–06/2019** **Full-stack developer**
SunMedia, Madrid (Spain)
Working in a advertising company, here I was collaborating with a team making different products for advertising, like banners, videoplayers, and an analytics website for ads.
- 10/2018–Present** **Full stack web developer**
Freelance, Madrid (Spain)
Challenging myself as a freelance, started already with a client and some projects and after that I was searching customers and work by myself.
Interested in any web project which fit into my skills and make myself and my business grow ;)
- 11/2016–06/2018** **Full stack web developer**
Ventano Handelsgesellschaft mbH, Osnabrück (Germany)
Online shop using Opencart, here I was developing in PHP, JS, SQL, HTML and more.
My tasks here were of all kinds, from modifying Opencart pages for the shop administration, to create a new page for the warehouse management, create a pdf invoice for every incoming order and much more.
At the company, I was the only developer, but I was designing all the tasks with my boss, from the layout, to the internal structure and all small details.
- 06/2016–09/2016** **Front-end deveper**
DGB Rechtsschutz GmbH Osnabrück, Osnabrück (Germany)
Making a simple website to show the important information about Germany to the foreigner, for example German's laws, taxes and more
- 03/2016–06/2016** **Front-end developer**
Landkreis Osnabrück, Osnabrück (Germany)
Making a simple website in Spanish for learning german

EDUCATION AND TRAINING

- 2010–2014** **Secondary school**
Amor de dios, Vigo (Spain)
Secondary school
- 2014–2016** **Técnico en sistemas microinformáticos y redes**
Colegio fomento Montecastelo (Spain)
Computer science course, here I learn a lot of computing, from the basic computer's structure, to networking, programming, system admin and more.

01/2015–03/2016

Curso de JAVA y SQL

Colegio fomento Montecastelo (Spain), Vigo (Spain)

Complete course of JAVA and SQL.
